FROM MFUWE AIRPORT take the main tar road towards the Luangwa Bridge. Turn right at the Zesco substation and proceed towards Chipata. Turn left after a few kilometres at Chiutika School (small church on the right). Cross a small bridge (Msandile River) and exactly 1km after the bridge take the right (lesser road) fork. Soon after passing Chief Nsefu's Palace continue straight on the bush track (do not turn left on the main road). Continue to Milyoti Gate, the entrance to the Nsefu Sector of the South Luangwa National Park. Follow the main track and finally cross the Chichele stream. Just prior to the Chichele stream bridge there are numerous unsigned tracks in various directions, so it is a little confusing – be sure to take the track over the stream. Pass through Chikwinda Gate and proceed north through Mkasanga village. Cross the Lukuzi River and immediately after the crossing be sure to keep left. Pass Chibembe on your left and continue for roughly 4.5kms when you will finally see the signpost for Kalovia Camp on your left.
